Re: Maine Republican Party, Amended 12 Day Pre-General Report, RFAI

Dear Kaitlin:

Following up on our prior conversation, the reason why there are disbursements that appear on the original 12 Day Pre-General Report and not the amended report relates to the data entry error previously described in my response to the prior RFAI (and also the response to the October Quarterly RFAI). Specifically, when the original report was processed all disbursements of the State Party were included, both federal and non-federal. The amended report does not include any non-federal disbursements, thus explaining the absence of some of the disbursements that were contained in the previous report.

Please let me know if you have any questions.

Sincerely,

William P. Logan
